

**WE BELIEVE**

In an Infinite, Omnipresent God.  
An Intelligence that is everywhere and all places.  
God is present wherever we are, and is also waiting for us  
when we get to the place we are going.

God hears through all who hear.  
God sees through all who see.  
God feels through all who feel.  
God smells through all who smell.  
God thinks through all who think.  
God loves through all who love.  
God is Self-aware through all creation.

**WE BELIEVE**

If we want a cherry tree, we must plant cherry seeds.  
We must give to the universe exactly what we wish to receive from the universe.  
We have no right to expect from the universe What we are not willing to plant first.  
We must treat all of creation as we want all of creation to treat us.

**WE BELIEVE**

In the continuation of our awareness of existing in the universe after our body dies.  
This is not a continuation of our human-body-identity awareness.  
This is a continuation of our Spiritual awareness.

**WE BELIEVE**

We are here for the contribution we can make to the rest of creation.  
All of creation exists for the part each has to play in the symphony of the universe.

**WE BELIEVE**

We are here to learn how to be a better contributor to the rest of creation.  
Our spiritual education comes from our experiences and our thoughts about my experiences.  
If we stub our toe, we learn to watch where we place our feet.  
God does not punish - God educates.

**WE BELIEVE**

Our appreciation of two great incredibles is the key to paradise.

**The first great incredible is THE EXISTENCE -- OF ANYTHING AT ALL.**

**The second great incredible is OUR AWARENESS -- OF ANYTHING AT ALL.**

Whenever we appreciate these two great incredibles,  
Everyday experience becomes divine experience.

**Every breath we take  
Every step we make  
Every thought we think  
Every drink we drink**

**IS INCREDIBLE**

**THE GREATEST COMMANDMENT**

**Love God With All Your Heart**

**Truly appreciate your awareness of being aware  
and your love of God will be your very being.**

**Every act you make will be an act of worship.**

**Remember, if you were not aware of being aware  
Nothing Else Would Matter**

**PRAISE GOD**
